## **Important information and conditions:**

Transport In Nood provides this service to make it's French representative available for all companies and workers who are in need of a representative. When you are interested in this service Transport in Nood will have to register your employees as being its responsibility. Following the registration by the French Ministry, we will contact your company as soon as possible to explain our services to you personally. After a phonecall from Transport In Nood, we leave you the choice to continue with us or not. Until this moment you are not obligated to pay any costs and you are free to choose another representative. The benefit is that the workers are represented immediately and you don't have to wait for a contract. It is very important not to change the representative during this transitional period to another agent without consulting us. This is because there is already an official representative registered at that time. You are required to supply all the documents which the French authorities asks. When we get a request from France, we will let you know. As a representative, we are obligated to keep your documents 18 months. For this period of time we are responsible for the representation of your company. In summary, if you choose for our services for a short time, it may happen that the French authorities within 18 months of cancellation will talk to us to provide additional documents. We are still obligated to provide it, and we will approach you for those documents. It is the responsibility of the company to deliver the right documents to Transport in Nood. Please sign below and stamp if you agree to these terms.
